

Message

at this movement when the entire world is gripped with COVID-19 pandemic, the DAV management has decided to defer the payment of school dues for the months of April, May & June, 2020 (which can be paid in the month within February 2121) without any late fine, interested Parents may pay the school fees as per earlier practice .

In this regard an appeal has also been made by our Hon'ble Chief minister.

Stay Home, stay safe and Stay connected.
